Kai Degner
Mayor

Dear Citizen:

We are pleased that you are interested in serving on one of Harrisonburg's twenty-four citizen based boards and commissions. These boards and commissions provide our citizens with a variety of opportunities to serve the City.

Most of the positions on boards and commission are unpaid, while others may pay a small amount. In order to be considered for an appointment, please complete the attached application form and return it to the City Manager's office. The application will be used to help City Council determine the person best suited for the appointment, based on the needs of the particular board or commission. You may also be asked to come in for an interview.

In order to guarantee your privacy, the Council will consider your application in a closed-session meeting. However, actual appointments are made in open, public meetings. We will notify you as soon as possible to let you know whether or not you were appointed. However, let me apologize in advance if you first find out about the appointment through the media. The City is governed by the Freedom of Information Act that requires that this kind of information be released to the media at the time the appointment occurs. Should you not be selected, your application will be kept on hand for future use, unless you choose to withdraw it. In any event, you will be contacted to determine your continued willingness to serve should other openings occur in areas for which you have indicated an interest.

Thank you for your willingness to serve your fellow citizens of Harrisonburg. If you have any questions, please contact the City Clerk at 432-7734.

Sincerely,

A handwritten signature of Kai Degner in black ink, featuring a stylized 'K' and 'D'.
